Subject: A.15-04-012 Email Ruling Notifying Parties of Status Conference, Suspending Portions of Procedural Schedule, and Directing SDG&E to File Joint Proposed Procedural Schedule

A.15-04-012 Email Ruling Notifying Parties of Status Conference, Suspending Portions of Procedural Schedule, and Directing SDG&E to File Joint Proposed Procedural Schedule

On August 12, 2016, SDG&E, on behalf of the intervenors, requested an extension of the due date for intervenor rebuttal testimony. On August 15, 2016, SDG&E notified the service list that it had identified an error related to its calculation of Effective Demand Factors (EDFs) that impacts the allocation of distribution revenues to the customer classes. In light of this, SDG&E requested additional time to prepare its own rebuttal testimony.

It is ruled that:

- (1) The current procedural schedule is suspended (except for the PPH on September 14, 2016).
- (2) A status conference will be held on August 19, 2016 at 10:30 a.m. to discuss the procedural schedule. A conference call number will be circulated prior to the status conference.
- (3) SDG&E is directed to consult with parties and file a proposed revised procedural schedule no later than August 18, 2016. The proposed procedural schedule should include whether parties prefer September 19 or September 20 for the workshop.
- (4) All parties are invited to file proposed revised schedules no later than August 18, 2016.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.
